

Failure to Follow Procedures is NOT an Option ! PAUSE and THINK ABOUT IT !

Learn the basic awareness of risk factors associated with failing to follow procedures. We will discuss prevention of contributing or causal factors so as to reduce maintenance errors as well as ultimately reducing aviation accidents and incidents. PAUSE and think about the maintenance you are about to conduct. Are you ready for that?

Directions: This meeting will be held in the Main meeting room at the FBO.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
